REPORT OF GIFTS AND GIVING

2015 - 2016

WWW.CBURY.ORG

On behalf of the leadership team at Canterbury School, I share my gratitude for the financial and volunteer support of so many alumni, parents and friends. This collective ongoing support sustains our School and ensures a bright future for so many. Your dedication and generosity enhances our programs as we provide a world class education for all of our students. This success would not be possible without your support. Thank you.

In September, we celebrated a milestone occasion with the Installation of Rachel E. Stone as Canterbury's Sixth Head of School. This ceremony officially recognized the beginning of Rachel's tenure and gave us the opportunity to warmly welcome the Stone family to their new home. We embarked on a new era, but felt great pride in our continuity, as our leadership has only changed five times in 100 years.

The fall of 2016 saw several additional, important, and successful events including the 2016 Benefit Auction over Parents' Weekend, the Second Annual Athletic Hall of Fame Induction Dinner and celebration, and several other alumni events sponsored by the Society of Alumni.

Throughout 2015 -2016 the Society of Alumni created and implemented programs to keep our alumni connected to each other and their alma mater. This talented and passionate group has recently launched its signature initiative - Canterbury Core - which provides numerous volunteer opportunities for alumni to share their time, talent, knowledge and enthusiasm in support of Canterbury. The Society of Alumni encourages all alumni to be involved and engaged, and is a reminder to our 5,000+ alumni that we are part of and associated with a lifelong community of friends and colleagues.

This Report of Giving underscores the remarkable generosity of our supporters who have made a significant positive impact on the School. Once again, I thank you for your deep commitment to Canterbury.

Sincerely,

A handwritten signature in blue ink that reads "Glenn".

Glenn P. Schwitter Sr.
Director of Advancement

The Carillon Society was established to honor and thank alumni and friends who make provisions for Canterbury in their long-range financial plans through bequests, trusts, insurance policies, or other means. Membership in the Society confers special recognition on benefactors who have decided to reach beyond their own lives to enhance opportunities for future generations of Canterbury students.

The following, having informed Canterbury of their gift plans, are members of the Carillon Society :
