Canterbury School

Accident Insurance Waiver
2021-2022

Dear Parent:

In addition to mandatory health insurance, every Canterbury School student will be automatically enrolled in our School Accident Insurance through A.W.G. Dewar. The student's school account will be billed in the amount of $138 to cover the cost. Information about this policy accompanies this waiver form.

You have the option to decline this Accident Insurance if you have adequate health insurance coverage for your child, or if you are purchasing medical insurance through United Health Care. If you choose to decline the A.W.G. Dewar policy, please indicate below by signing and returning this form to the Canterbury School Business Office. When the signed form is received, your school account will be credited accordingly.

As you consider the options described above, please keep in mind that this Accident Insurance will not only pay bodily injury accident claims from first dollar up to $2,000, but also any accident-related deductibles and co-pays of your family medical policy.
