Spring 2017 Highlights

The Saints finished their 2017 campaign with a record of 10-7, their fourth straight 10-win season. Led by an extraordinary group of Sixth Formers, Canterbury began their season on the campus of Duke University training for a week during spring break. With a schedule loaded with class A and B schools, the Saints proved up to the challenge. Despite disappointing losses to Taft, Hotchkiss, Greenwich Academy and Sacred Heart, the team put together powerful wins over Kent, Suffield, Millbrook, Rye Country Day, Gunnery and Berkshire, to name a few. Sixth Former, Sara Bouwman '17, made history by becoming Canterbury's first two-time All-American. Bouwman finished her senior season with 70 goals and 43 assists in 17 games, while pulling down over 130 draw controls.

West Point Connection

Although 2016 marked the first year of varsity women's lacrosse at West Point, 2017 marked the first year Canterbury enrolled a female, lacrosse, post graduate for the United States Military Academy. Anna Orlando '17 joined the Canterbury community in the fall of 2016 from Lancaster, New York. Anna was instrumental to our success in 2017 and we know she will bring the same level of intensity to the field for the Black Knights. Our connection with Army has proved fruitful as Gillian Schullery '18, a four-year Canterbury student, has also committed to play for West Point. We are extremely proud of our relationship with the West Point coaching staff and look forward to working with them more in the future.
