

Attention students repeating a grade at Canterbury (or before Canterbury)!

Are you interested in playing an NCAA Division 1 sport in college?

If so, we want to be sure you are aware of the NCAA Division 1 Academic Requirements that now state a student must fulfill the 16 core course requirement by the end of their first eight semesters of high school. For repeat students, these courses must be completed by the end of your fifth form year at Canterbury. The Requirements also state that 10 of the core courses must be completed before the seventh semester. For more information, please see the attached eligibility reference sheet or go to www.eligibilitycenter.org.

We are confident that we can appropriately advise and support you at Canterbury. However, it is also important that you fully understand what this legislation means and how it may impact your course selection moving forward.

If you have any questions about this, please contact Todd Mathewson at 860-210-3871 or tmathewson@cbury.org.

We look forward to seeing you this fall!
